# Author Biography

Matt Newnham is a British author, copywriter, and communicator best known for the Space Ranger Fred children's book series, which combines adventure, humour, and STEM learning. His work inspires curiosity and kindness through imaginative storytelling, from intergalactic escapades to tales of courage and discovery. Matt's upcoming young adult fantasy, *Alice Winter and the Winter's Key* (2026), expands his storytelling into the world of magical realism and redemption. Based in West Sussex, he works with creative teams around the world developing books, animation, and educational projects that make learning exciting for children everywhere.

why write?

I write because stories have the power to inspire, to teach, and to bring a little magic into everyday life.
